

Explore the Black Hut Management Area A Geocacher's Delight

The **Blackhut Management Area** spans 1548 acres and is perfect for hunting, hiking, wildlife observation and... **Geocaching**. Known as a real-world, outdoor treasure hunting game, Geocaching has participants use a GPS-enabled device to navigate to a specific set of coordinates and find the geocache (container) hidden at that location.

Enjoy the outdoors for a day as you hunt for the geocaches of **Blackhut**, an extremely fun activity for both kids and adults. This area offers plenty of trails for exploring as well as **Spring Lake** for those who want to include fishing, canoeing, or kayaking in their day's activities. *

After a great day outdoors, treat yourself to a delicious meal. Nearby is **Casa Fernandes**, a local gem that hosts live music every Saturday night. Or try one of the many local pizza places such as **Niko's Pizzeria** or **Elite Pizza II**.
