

## Day at the Beach

*Spring Lake Beach opens: 9:00 am - Admission for group includes private functions area, Paddleboat and Canoe use.*

Escape the heat of the summer, and come to where gentle breezes cool the air. **Spring Lake** in the village of Glendale, surrounded by shade and far from the crowds, is the perfect spot for fun in the sun without the hassle.

Here you'll find peaceful, fresh water for toddlers and young families, where slides drop the youngsters right into the water.

Broad swathes of sandy beach invite sunbathing, and wide-open expanses of deep water beckon advanced swimmers. A staff of **full-time Lifeguards** is on duty during open hours.

**A swim dock, food concessions, picnic tables, volleyball courts, children's slides, restrooms, and hot and cold outdoor showers** round out the amenities.

Anglers will enjoy good **fishing from shore or boat** on the lake, which is partially situated in the **Black Hut Management Area**.

As part of your day, visit the historic **Spring Lake Beach Arcade** – a family tradition. Billed as “The World’s Oldest” Penny Arcade, it is home to some of the oldest arcade games in the country.
