

Golf, Golf, & More Golf!

Sometimes a little 'tune up' is in order before getting out on the green. Private or group instruction at **Country View Golf Club** or **Crystal Lake Golf Club** is a terrific opportunity to get an objective professional assessment of your stance or swing, and some tips on addressing the ball. Appointments are necessary so be sure to call.

Crystal Lake Golf Club (401) 567-4500

Enjoy lunch on the deck or inside the club's restaurant where a full pub style menu is offered.

You've probably heard of street golf and urban golf. Well, now there's **Skeet Golf at Addieville East Farm**. Any avid golfer *has* to try it. It's an extreme challenge, but it *is* possible to hit the clay with a well-timed shot. Remember to call ahead. On select Thursdays you can opt in for the Steak and Clay special: 50 sporting clays followed by a fantastic steak dinner. Reservations are required. For more information check out www.addieville.com

Finish the day with a fun game of **Miniature Golf** and famous Rhode Island "Cabinets" at **Mr. Doughboy** in Glendale. A blast from the past, Mr. Doughboy brings back memories of summer amusements and tasty treats. This establishment is a rare find and a real blast. Try the batting cages and a raspberry Rickey – but not at the same time, please!
